*Re: New designated Senior Trustees for the Nez Perce Tribe on the Hanford Natural Resource Trustee Council*

Dear Troy,

As you may be aware, the Nez Perce Tribe's (NPT) Environmental Restoration and Waste Management Program has gone through recent personnel changes. This letter is to notify you and all other trustees of the newly appointed Senior Trustees for the NPT. The Nez Perce Tribal Executive Committee (NPTEC) has appointed Casey Mitchell, NPTEC Secretary, as the Primary Senior Trustee and myself as the Alternate.

As the Chairman of the HNRTC I would ask that you forward this information to the other Senior and Technical Trustees. Casey's work phone is (208) 843-7342 and email is [cmitchell@nezperce.org](mailto:cmitchell@nezperce.org). His mailing address is P.O. Box 305, Lapwai, ID, 83540.

I appreciate your assistance in sharing this information and look forward to continuing my role as the primary Technical Trustee for the NPT on the HNRTC. Please let me know if you have any questions regarding this information.

Sincerely,

A handwritten signature in cursive script that reads "Jack H. Bell".
